Happy almost spring!

Hope you are all enjoying the brisk air. 😊
Spring keeps teasing us ~ maybe next time the warmer air and sunshine will be here to stay. Until then....

I hope you've all heard about the ACBL's new Community Club Initiative. It was the focus of our last Zoom get-together but I know some of you had conflicting activities and couldn't join us. Since there have been many BIG changes since then - all even better news than I shared before - I thought I'd schedule another chance to chat.

There are two options. Hope one of them works for you.

I really believe the Community Club is going to change the face of our bridge world and help your club flourish well into the future.

Try and join us - it's a great chance to at least say hi.

Susan
